Kazuma Kimura (木村　一馬)

Second year graduate student, University of Tsukuba

Research interest

General:

Psycholinguistics (experimental syntax), theoretical syntax, computational linguistics

Specific:

Syntactic representations and operations during online processing, the syntax and semantics of Quantifiers, cognitive modelling of syntactic computations

Presentation

1. 木村一馬　橋本龍弥 (2024)「コピュラ命題補部からの数量詞上昇―『節境界性』の再考―」, 日本言語学会第 169 回大会, 口頭発表 (2024 年 11 月 10 日・11 日, 北海道大学). **[査読有]**

2. 木村　一馬 (2024)「BE 動詞・HAVE 動詞の統語的特性: 自己ペース読み課題・容認性判断課題による検証」, *Evidence-based Linguistic Workshop (ELW) 2024*, 口頭発表 (2024 年 9 月 27 日, 国立国語研究所). **[査読有]**

3. 木村　一馬 (2024)「文処理における項構造解析の読み時間: 大規模言語モデルによる検証」, YANS 2024 (主催: 言語処理学会), ポスター発表 (2024 年 9 月 5 日) **[査読無]**

4. Kimura, Kazuma (2024) "The Externalization of *-rare* morpheme in Japanese: A PAS-Driven Phase-Based Approach," poster presented at *Purdue Linguistic Symposium 202*4, April 11, Purdue University, USA. **[査読有]**

5. Kimura, Kazuma (2024) "Optimal Auxiliary Selection in English: A View from Gradient Harmonic Grammar," poster presented at Data Science in Collaboration conference (DaSic2024), March 15, online. **[査読有]**

6. Kimura, Kazuma, Okada Yuki, and Kimura Takuto (2023) "The Constraint-Based Externalization of Perfect(ive) Auxiliaries BE and HAVE," 筑波英語学会第 44 回大会, 口頭発表 (2023 年 11 月 18 日).

7. 木村一馬 (2023)「BE + 他動詞完了の外在化条件に関する理論的分析」日本言語学会第 167 回大会, ポスター発表 (2023 年 11 月 11 日・12 日, 同志社大学). **[査読有]**

8. Kimura, Kazuma (2023) "A Minimalist Approach to English *Have*," poster presented at the 11th International Student Poster Presentation Conference (ISPPC), May 8, Eotvos university, Hungary. **[査読有]**

Invited talks

1. Kimura, Kazuma (2025) Reprojecting Japanese Quantifiers, presented at the meeting of Syntax, Semantics, Sentence Processing Laboratory (PI: Masaya Yoshida), at the University of Autonomous Barcelona, March 10, online.

2. Kimura, Kazuma (2024) Clause-boundedness of universal/existential quantifiers in Japanese: A scoping study, presented at Seoul Workshop on Experimental and Laboratory Linguistics (SWELL) 2024, Seoul, Korea, December 13.

3. Kimura, Kazuma (2024) Investigating the morphosyntactic structures of Japanese quantifiers, presented at the meeting of Syntax, Semantics, Sentence Processing Laboratory (PI: Masaya Yoshida), at the University of Autonomous Barcelona, November 11, online.

Paper

1. Kimura, Kazuma, Okada Yuki, and Kimura Takuto (2024) "The Constraint-Based Externalization of Perfect(ive) Auxiliaries BE and HAVE," annual report in Tsukuba English Studies 43.

2. 木村 一馬 (2024)「BE 動詞・HAVE 動詞の統語的特性: 自己ペース読み課題・容認性判断課題による検証」, *Proceedings of Evidence-based Linguistic Workshop (ELW) 2024*, pp XX-XX, ed.by Masayuki Asahara, NINJAL.

3. Kimura, Kazuma (2024) "Optimal Auxiliary Selection in English: A View from Gradient Harmonic Grammar," *Data Science in Collaboration* Vol.7, pp xxx-xxx, ed. by Yuichi Ono and Masaharu Shimada, General Affairs Supporting Centre, University of Tsukuba.

4. 木村一馬 (2023)「BE + 他動詞完了の外在化条件に関する理論的分析」日本言語学会第146 回大会予稿集, (2023 年 11 月 11 日・12 日, 同志社大学).

Thesis

1. Kimura, Kazuma (2024) "An Experimental Investigation of Subject Empty Categories: Their Real-time Status in a Top-down Parser," unpublished master's thesis, University of Tsukuba, Ibaraki.

2. Kimura, Kazuma (2022) "Causative *Have*: Its Syntactic Structure and Computation," unpublished bachelor's thesis, Ibaraki University, Ibaraki.
